Sviyash. We know nothing about the world and about ourselves, except what we know. We can never give an exhaustive answer to any question, often we don't even know what we know about it. And therefore, choosing any direction of activity, whether it be a career, work or relationship, we must always understand what exactly we want to achieve as a result, and how to achieve it. As a result, A. Sviyash's book will help you figure out what is best for you and what you are willing to sacrifice to achieve this. 440 rubles Volume one. The theory of the meaning of life outlined in the first part of the book is applicable to the family, and to any other aspect of life. The following chapters deal with the child's understanding of the meaning of life. All this, of course, expands the idea of the meaning of human life and leads to profound changes in the perception of herself and the people around her. In order to understand why a person lives and what he will do to live better, a person needs not just "reasonable meaning", but a meaningful life. The more a person sees and studies this "reason", imbued with its wisdom, the more confident he will feel in life. But a man can
