## **Moyea PPT To DVD Burner Edu Edition Crack + With License Key [Latest 2022]**

Moyea PPT to DVD Burner Edu Edition Crack Mac is a cool green presentation e-learning program for teachers and students to create a DVD or video courseware from MS PowerPoint. Equipped with the booming technology of Web 2.0, the educational tool helps the back-to-school staff to finalize their PowerPoint presentations in universal DVD or video that maximizes the scope of the course content. With the e-learning conversion tool, teachers and students are easy to span a PowerPoint courseware from one computer to another without PowerPoint or with one but incompatible, or to a TV with DVD player, from a local drive to the Internet, or even to a portable that supports video. As a newborn to Moyea's PowerPoint to DVD Burner family, this education branch inherits almost every virtue of its outstanding elder brothers PPT to DVD Burner Pro and the Lite, who are capable of converting up to 12 PowerPoint files (\*.ppt, \*.pps, \*.pptx, \*.ppsx) to either DVD of standard and High Definition or video of 12 formats like ASF, AVI, FLV, 3G2, 3GP, MOV, MPEG, MP4, TS, VOB and WMV. In addition, this application will support both media formats and terminal devices like iPhone, Apple TV, iPod, PMP and Windows Mobile, as well as a built-in burning engine to burn a movie-like slideshow to a disc. Features: - Support converting PowerPoint into DVD/video of 12 formats and, in addition, to iPhone/iPod/iPad, Apple TV, iPod, PMP/Handycam and Windows Mobile; - Not only can you convert PowerPoint to DVD/video, but can also to AVI, FLV, MOV, MPEG, MP4, TS, VOB, and WMV video; - Equipped with a built-in burning engine, you are able to create and burn a movie-like slideshow to a disc as you can burn to audio CD and CD-R/RW; - Instantly convert PowerPoint into video with the DVD or video conversion tool, or import PowerPoint to DVD burner for a quick conversion; - Supports both 32-bit and 64-bit systems and, in addition, supports Unicode; - It allows you to customize the output folders for DVD and video creation; - Converting to DVD/video requires only about 10 minutes; - Compatible with Windows Vista and XP.
