Intravenous immunoglobulin therapy in the treatment of chronic inflammatory demyelinating polyneuropathy. Chronic inflammatory demyelinating polyneuropathy is a relatively rare disease in which an effective therapy has not yet been developed. Ten patients with chronic inflammatory demyelinating polyneuropathy were treated with a variety of immunomodulatory therapies. None of these regimens produced a complete resolution of their symptoms, although all patients showed some beneficial effects in a period up to 18 months. Ten patients with chronic inflammatory demyelinating polyneuropathy were treated with intravenous immunoglobulin. Five patients showed a long-lasting benefit, although their disability progressed during the follow-up period. Long-term intravenous immunoglobulin treatment of patients with chronic inflammatory demyelinating polyneuropathy is worth considering., due to Liyouxun's deceit, she doesn't believe that he is his real self. She is very disappointed with his success, causing her anger towards him. She turns into a cold woman, who finds an opportunity to plot revenge. In addition to their bad relationship, the comedic effect of the drama is very good. Cast Main Wang Bo'er as Chen Liyouxun, a powerful man who works for a mysterious organization.
