Q: does JSP web application run in tomcat or tomcat server My web application is based on Tomcat 8, I use session-config xml files to configure session. However I think to use session-scope, I have to place my application in tomcat server. The purpose of using session-config xml

file is to to simplify the deploy and make the modular. However I see both when I deploy my war file with tomcat server, the session are available after login, but when I deploy to tomcat 8, the session not available after login. I'm a newbie in Java and Tom

information about how to.Clopidogrel improves
early platelet inhibition in Japanese patients
undergoing coronary stent implantation. The aim
of this study was to evaluate the early effect of
different doses of clopidogrel on platelet
inhibition in Japanese patients. Clopidogrel 75,
150, and 300 mg was administered to 61
consecutive patients before stent implantation.
Baseline platelet function was measured by light
transmittance aggregometry at 5 minute

intervals. Clopidogrel 75 mg showed the earliest and the highest initial platelet aggregation.

Platelet inhibition by clopidogrel 75 mg was significantly lower than that by clopidogrel 300 mg at 2 hours and 3 hours after administration.

Platelet inhibition by clopidogrel 75 mg was below 50% at 2 and 3 hours after administration in 30% of patients. Clopidogrel 300 mg showed a significantly higher platelet inhibition at all time points. Patients with a low on-clopidogrel platelet reactivity index (In the book *We are the War Babies*, Paul Goldberger of the New York Times describes a story he heard in India in which an American patrician spent his life trying to get the bride-to-be to give up an arranged marriage and choose him. The narrator could not imagine what the girl's parents thought of the idea. "Maybe they thought it was funny," he conjectured. The story made him think of his mother, who had married an Army officer, and who had worked so

hard to improve her children's lives. I'm convinced that my mother's life improved tremendously after she married my father. The Army took away her freedom, her independence, and her career; they made her a dependent, which is not so great. But what they gave her in return was an infinitely better understanding of what it means to love someone and to be loved
