They offer a free reading and as a backup they give you a phone number to call when you decide you'd like to book your free reading. Now someone could just make a google search for fortune tellers. Just pick a couple and have a google search. The computer will then call one and give you a list of say 5 or so websites. Once there you'll sign up and make your investment. I'm sure someone here will come up with the idea in the next few minutes. I'm suprised no one here has come up with an idea like a fortune teller scam.
