
And so the fun begins at the beginning of the game and for each. The present invention relates generally to data storage systems, and more specifically, to thermal design and cooling of data storage systems. Data storage systems can include a number of data storage devices configured to read, process, and/or store data. The data storage devices can be coupled to a communication network and can communicate with other data storage devices and/or computing devices. Data storage systems can employ data encryption processes to secure data in the data storage devices. Data can be written to data storage devices and/or read from data storage devices, for example, via a direct access storage device (DASD), using read and/or write commands. Q: Action Bar theme with tabs I am using action bar with tabs in activity. I want to change the Tab's background color, and the Bottom Action bar background color. The layout is below. 6d1f23a050
